**FROM DAVID KAISER
PRESIDENT OF THE HOMEOWNERS' ASSOCIATION**

Mother Nature has provided a weather break from the earlier snows which in turn has allowed us an early start to improve plant beds fronting townhouses in the current year's painting cycle. This will continue until each of the 11 buildings have been addressed. Please be patient as this may take the better part of the year to get to all 11 buildings. This action plan to marry-up landscape improvements with the building painting cycle will continue every year until each building's landscape has been refreshed.

Concerning parking – your Board is serious about enforcing the parking rules and regulations within the community. When we are notified or otherwise become aware of a vehicle in violation of our parking policy, we will tag the vehicle with a violation notice. If the violation continues the vehicle is subject to towing at the vehicle owner's expense without further notification. Most violations to date have been related to expired registration tags. By state law vehicle tags must be renewed no later than 30 days after their renewal month . . . so please follow the law.

Unfortunately, I need to once again address the situation of dog owners not picking up after their pets. The Board has found it necessary to begin placing "Pick Up after Your Dog" signs around the complex where a preponderance of poop has been observed. With the recent lack of snow there is absolutely no excuse for not picking up after pets. If your child takes the pet out make sure they return with a used waste bag. With everyone's cooperation we can make our common areas safe and usable for all. Please be part of the solution and not part of the problem.

If you have questions or concerns about these topics or anything else happening or not happening in our community, please reach out to the Board by:

- placing a note in the 'black box' by the Clubhouse/bulletin board
- including a note with your monthly dues payment
- by mail to KVTA Board, 2701 E. Geddes Place
- or by attending a monthly Board meeting.
