THANKS TO OUR MAINTENANCE CREW!!

February was a crazy month for snow...it just kept coming and coming. Don't know what we'd do without our fantastic maintenance crew attacking the sidewalks immediately after the last snowflake falls.

One could comfortably get around the community and not feel you were risking life and limb.

And being a dog owner, my two furry friends loved the ease of getting out for a walk and not filling their paws with snow balls.

We do live in a marvelous community!!

FROM DAVID KAISER

PRESIDENT OF THE HOMEOWNERS' ASSOCIATION

The nice weather Mother Nature provided us in January has more than been offset by the unrelenting snow in February. Of course the positive is this moisture helps offset the drought conditions we were experiencing. My thanks to Warren and the snow removing crews for the all the hours of hard work they continue to put in to keep our walks, alleys and streets safely passable.

As a reminder to homeowners, sidewalks between garages are your responsibility to keep clear, even if you don't use them regularly. Your neighbors that deliver this **Back Gate** newsletter every month must use these walks along with delivery drivers and emergency personnel. While you are shoveling your back walkway we ask that you also shovel the snow from your garage apron into the driveway so that it can eventually be plowed away.

I continue to be amazed by how often our guest parking areas are filled by residents' vehicles. I do realize that many households today have multiple vehicles, especially where teenagers have their own cars and adult children are still living with their parents. This is compounded by people having so much stuff today that the garage becomes the area in which to park their stuff instead of their vehicles. I would dare say that a little more organization in the garage as well as getting rid of unused items would likely free-up room for a car, thus allowing more guest parking spaces to be available for actual guests.

As always if you have any questions or concerns about these topics or anything else in our community, please reach out to the Board by dropping a note in the black box by the clubhouse or by attending a monthly Board meeting.

Bookkeeper Position Available

The Board of Directors is seeking a part-time, full-charge bookkeeper to handle all of the accounting needs of the Knolls Village Townhouse Association. This position reports directly to the Board and works with our CPA firm to prepare financial statements and tax returns.

An associate's or bachelor's degree in a field such as accounting or business is preferred. A combination of education and experience will be considered. QuickBooks experience is required.

What is the census?

The census is a count of every person who lives in the United States and its territories. It happens every 10 years. In early 2020, you will be asked to count everyone who lives in your home as of April 1. Responding to the 2020 Census is a chance to shape your future.

What to expect:

- Public response (online, phone or mail) begins in March
- April 1 is Census Day!
- In-person visits to households that haven't responded begin in May
- Apportionment counts sent to the President by December 21, 2020
