Memory Support

I assist people who are having difficulty with their memory. Examples would be forgetting food that is cooking, forgetting to bring items with you when you leave, forgetting a grocery list, forgetting clothes in the laundry, difficulty with multi-tasking when cooking, forgetting to follow through on tasks, and forget to return phone calls.

I have been helping people with memory problems for 35 years and have lived in the Knolls for 38 years. Roger Veach—cell 303 594-6846. Private pay or health insurance accepted.
