KONA ICE TRUCK COMING TO THE VILLAGE September 2, 2024 2:00 pm

Come one come all, a Kona Ice truck is scheduled for 2:00 PM on Labor Day, September 2, adjacent to the pool.

Kona Ice is a novelty truck, with many flavor offerings and end less combinations. They're mobile. They're fun and stocked with the most delicious flavors you've ever tasted. Need a moment of pure bliss? Kona Ice has you covered. Let our sweet tunes sweep you away to an island in the middle of the ocean. And while you're there, kick up your feet and enjoy a nice cup of our premium shaved ice.

AND ICE CREAM TOO

The Knolls Village Hospitality Committee also will be serving ice cream around the pool from 2-4!! Come after your other adventures !!! Chat with your pals and neighbors!!!

The Knolls Village Hospitality Committee is covering the cost. August 2024

WELCOME NEW BOARD MEMBER—YVONNE ANDERSON

The KVTA Board of Directors would like to announce the appointment of Yvonne Anderson to replace A. J. Quick who resigned from the Board the end of June. Her term will terminate in 2025.

Yvonne is a long time resident of the Village and has extensive senior management experience.

We welcome Yvonne's insight and expertise to the Board.

RECYCLING TIPS

There are reasons why we need to recycle correctly. If we don't follow the guidelines our recyclables will end up in the landfill instead of being recycled. Each month a recycling tip will be explained in our news

letter. The first tip is about cleanliness:

[Keep it Clean! Protect Health and Recycling Value by Cleaning Your items](#)

Did you know food is the #1 contaminant in recycling centers? Your recyclables are sorted by real people whose health and safety are put at risk by food residue on recyclables because of mold and pests like ro

dents and stinging insects. Food and liquids inside containers can also destroy the value of recycled paper and affect the value of containers.

So, how clean is clean enough? Before recycling, be sure to empty your containers by scraping out all food, or pouring liquids out. Give each container a quick shot of water, shake it up to loosen any food remaining, pour it out, and then recycle it. If you're unable to get it clean enough, go ahead and throw it in the trash to be safe.

LIFELONG LEARNING FOR SENIORS

The Osher Lifelong Learning Institute at the University of Denver (OLLI at DU) is a membership program designed for adults 50 and over, who wish to pursue lifelong learning in a relaxed non-competitive atmosphere. There are no tests, grades, or academic requirements – only a desire to learn and a curious nature. They offer in-person courses at three campuses (Central, South, and West) and a host of online learning opportunities.

Membership and Registration

Membership is \$65 for one year—from August 10, 2024 to August 9, 2025.

See their webpage at <https://olli.du.edu/duolli/course/course.aspx?catId=23> for all the benefits included with a membership.

Classes are two hours long,

Fall Term – September 16 through November 8 • August 12- Complete catalog available on website • August 19 - Registration opens at 10:00 am for all Fall term courses, OLLI Fit classes, and webinars.

Volunteer instructors teach all sorts of classes about music/arts, history, literature, current events. The assistant violinist from the Colorado Symphony even teaches a wonderful music class. They also do social activities-hiking, travel trips, one day events, etc.

[I have taken OLLI classes for 12 yrs. and have really enjoyed them, so much to learn.

For more information, call Ann Wormley at 303-753- 1141 or pawo@aol.com.]

Architectural Control Committee Covenant Corner – A few things for your consideration this month.... *Did you know??*

Garage & Patio Lights: We have had some complaints about patio lights and garage sidelights being too bright and interfering with the neighbors. Hanging lights that are visible to neighbors have also been an issue. We have worked with the Board on the following guideline for clarification.

- Back Patio Porch and Garage bulbs should be white or frosted rather than clear so they do not put off glare for your neighbors. LED bulbs should have a “K value” of 3000 or less, which is generally called “soft white.
- If you have hanging patio lights, they should not be visible to neighbors, meaning, they should be at or below, garage roof or fence level or otherwise obstructed from view. Hanging lights should not be so bright as to be bothersome to neighbors.

Streets of Souhglenn DANCING IN THE STREETS 6:30—8:00 pm

August 14—Last Men on Earth

Last Men on Earth is one of Northern Colorado's new

est and most popular rock bands, playing a mixture of classic cuts from the 70's, 80's, 90's and beyond.

August 28—That Eighties Band

One of the most popular 80's tribute bands in America. That Eighties Band will bring you back to the days of Rick Springfield, Van Halen and Joan Jett.
