### Volunteer Committee Spotlight: The *Back Gate* Newsletter Team

Each month, The Back Gate reaches every home thanks to a dedicated group of over 20 volunteers who write, assemble, and deliver our community newsletter. This month, we're highlighting a few key members of the team: Nan Matthews, Cindy Kiel and Darcy Johnson whose combined efforts keep our newsletter running smoothly.

#### Meet Nan Matthews – Newsletter Editor

Nan has been creating The Back Gate since 2015. As the newsletter's editor, she gathers updates from the Board and community and designs the tri-fold layout each month using Publisher. Her background in marketing and event planning—where she often built newsletters—made the role a natural fit.

Nan enjoys the creative side of the work and loves hearing from residents who stop her on walks to say how much they appreciate the newsletter. She also helps with distribution by delivering copies in her alley. Nan has lived in the Village since 2006.

#### Meet Cindy Kiel – Delivery Coordinator

Cindy has coordinated the delivery of The Back Gate since 2015, when longtime volunteer Harold Arnold retired. She manages a team of 16 delivery volunteers, maintains the master route list, and recruits new volunteers whenever someone steps down—often from her ready-made backup list. In addition to organizing delivery, Cindy frequently steps in to run routes herself to ensure every back gate receives a newsletter.

Beginning January 1, she will also pick up the printed newsletters, prepare distribution packets, and deliver them to the volunteers. Cindy has lived in the Village since 2011. What she enjoys most is how essential the newsletter is for the community—especially for residents who may not use the internet regularly. She loves seeing how eagerly many people await each month's issue.

#### Meet Darcy Johnson – Distribution and Printing Coordinator

Darcy has supported The Back Gate for several years in a variety of behind-the-scenes roles. She has helped with direct delivery to homes, picked up printed newsletters from Staples, and assisted with distributing packets to fellow volunteers who deliver each issue door-to-door.

She enjoys contributing to the flow of information that keeps our community connected. For her, helping with The Back Gate is a simple but meaningful way to support the “goings-on” in a place she's grateful to call home. She says it's a pleasure to help—and a joy to live in KVTA.

- **Holiday Decorations:** Decorations can be put up any time after Thanksgiving and must be removed by **January 15<sup>th</sup>**.

As always, we appreciate the way we all work together to keep our community beautiful! Enjoy the season.
